

Walk-in Interview

FOR THE POSITION OF "COMMUNICATION SPECIALIST"

in the Project on "Climate Resilient Agriculture in Maharashtra" (PoCRA)

Tata Institute of Social Sciences (TISS), **Tuljapur Campus** in collaboration with the Project Management Unit (PMU), PoCRA, Mumbai invites application for the position of a Communication Specialist. The Communication specialist is expected to provide appropriate communication strategies and IEC materials. Besides, the specialist has to develop and roll out other communication tools, techniques and methods to strengthen and contribute to the overall objectives of PoCRA.

The person is required to extensively visit the field areas located in Marathwada and Vidarbha regions while working from PMU office, PoCRA, Mumbai.

Key Responsibilities: Preparation of communication strategies and action plans to reach out to stakeholders, periodic reports and progress on the project. Implement communication strategies with plans, updating project web sites, incorporating feed-back from the stakeholders, preparation of IEC materials, work with a team of professionals etc.

Educational Qualification: The applicant should be a Graduate in Mass Media and Communication/ Journalism/Public relation or equivalent stream(s) from recognized institutions or Universities;

Essential Requirements: Applicant should have proficiency in Marathi and English languages with good inter-personal communication skills.

Experience: It is desirable that the candidate has some prior relevant experience in the fields of communication and/or in mass media. The candidate is also required to be well versed in drafting press releases, articles, stories for print and electronic media. Should be able to draft clearly and concisely ideas and concepts in written and oral form.

Remunerations: The selected candidates will receive a consolidated salary of Rs. 60,000/- per month. This is a Contractual position for 11 months, based on consolidated pay.
